### An Opportunity To Honor a Living Hero

This past May, on National Nurses Day, I was called upon by the VFW Department of Pennsylvania to render honors to a living hero, Agnes Speer who was an Army nurse during WW2.

She shared a number of stories about her service, including the fact that one of her patients was the late comedian Red Skelton!

Typical of a member of the Greatest Generation, she described her Army career as simply an honor to serve.

## Memorial Day Activities

**As usual, I had an active Memorial Day.**

There were 4 Ceremonies in which I participated;

American Heroes Flag, VFW & Legion Virtual Ceremony, Daughters of the American Revolution, and the Disabled American Veterans.

These ceremonies are not merely a formality, but an opportunity to minister to Veterans, their families, and the community at large. I was able to not only pray publicly, but personally for individuals.

**Evangelism is always a priority as I distributed tracts and Bibles.**
