### Recent Events

Funerals are not necessarily a joyous occasion, however, when the departed was a believer it results in an easier process.

One of the services I am asked to perform are various ceremonies. Whether they be weddings, funerals, memorials, or dedications it is an opportunity to minister to Veterans and their families.

This past month was one such occasion.

I was called upon to perform a Memorial Service for a deceased Vet whose remains were being interred.

This occasion brought about healing in family relationships, honor to the Veteran, and glory to God.

I was able to pray for family members and give out evangelistic literature and Bibles.

One such family member was a Viet Nam Veteran who was especially touched by the Holy Spirit.

## Professional Associations

I serve as the official "Post Chaplain" for several of the Veterans Service Organizations to which I belong, however my ministry and outreach transcends those organizations and associations.

As such, it important to be aligned with professional organizations which uphold standards and provide resources.

Last month I was accepted as a member of the  
*National Association of Veterans Affairs Chaplains*

## A Solemn Remembrance

**May 31, 2021**
